This letter is to inform you that open enrollment will be the week of May 15th thru the 19th. If you have already completed or waived the health insurance packet we recently sent you; then you do not have to complete another application.

Only full time eligible employees qualify for these benefits. If you do not average 30 hours per week, then you are considered part time.

If you wish to enroll in vision or dental; then you will need to come to one of the open enrollment meetings listed below.

New coverage will go into effect June 1, 2016.

We are switching our health insurance to BCBS. This means we are ending our partnership with ADP TotalSource.
